The first column indicates what items you are turning in.

The second column indicates the number of tickets you receive for turning in an item that was made from a guild provided kit.

The third column indicates the number of tickets you receive for turning in an item that was made from your personal stash

The fourth column indicates the number of items you are turning in as well as the number of tickets you should receive. Example: Pillowcase from guild provided kit nets two tickets for each. The quantity turned in 4 x 2 nets 8 tickets and so on. If you turn in 1-pieced quilt top made from your stash it would be 1 x 5 netting 5 tickets.

Please put your name on the front or back of the form you're turning in.
